ACCION

How to make a gift of Securities to Accion International

You will need to instruct your broker or banker about your wish to give securities to Accion. Specify the type of stock, the number of shares that you are donating, and the date by which the gift should be transferred. In order for your broker or banker to transfer the securities electronically, he or she will need the following information:

Accion's Broker: JPMorgan Chase Bank, N.A.

DTC Number: 902

Credit Account Number: P72500

Account Name: Accion International

Account Number: Q86236009

Accion's Tax ID Number: 13-2535763

Because DTC information often does not include the name of the owner of the assets, it is important that you notify Accion of this transaction so that we may properly credit you with your gift. Please contact Megan Rast at 202-503-1608 or via email at mrast@accion.org or have the individual performing that transfer contact her directly.

Thank you for your support of Accion's mission to create a fair and inclusive economy for all!
